Spirit of the Wilderness

Weekly News—March 18, 2010

Mentor Notes:

I spent some time this last week with my friend Letha who is a priest in the diocese. She spoke about Bishop Brian's visit to a clergy gathering in Minneapolis, and how he sees the church—as a place where people are equipped and re-sourced to **BE** church in their lives. He spoke of his "Theology of Basketball" in which the whole team matters. This is such a refreshing change, and I can't help but feel that we're at the right place at the right time with the right people

I've just seen the works of art that artists have submitted for the Stations of the Cross Exhibit—they are fabulous! I'm glad that we as a church will have a chance to spend some time with them, since there's such a range that it will take time to really reflect on them all.

Barbara Holaday and Patsy Coleman are making banners, and we have a full slate for our Bishop's Committee—wardens Rolf and Lee, Val secretary, and Reed treasurer. Thanks to all who've put up posters and done other preparation for our Easter season!

Blessings as we walk this way together—

+Mary Ellen
