## Spirit of the Wilderness

Weekly News—May 27, 2010

### Mentor Notes:

This Sunday is Trinity Sunday and Marcia Roepke will be teaching and leading us in some new music. Some of this music will then become a part of our repertoire at Spirit!

June 13th is Welcome Sunday, and we will be putting an ad in the paper, but it is primarily your personal invitation that will bring people to church. Lots of folks are curious about Spirit of the Wilderness so this is a great chance to invite them to join us.

For that service, we will have coffee and doughnuts from 9:45...the idea being that it's easier to come into a church building with a group than on your own...after the service we will have a BBQ—brats, hotdogs, buns, and potluck salads and dessert.

For the Bishop's visit June 27th: there will be no official service that morning, though several folks have volunteered to be there for morning prayer in case visitors arrive. Our service will be at 3 PM, followed by a potluck meeting at Howard and Bonnie Gay's. We will all need to sign a form, and have a chance for questions and answers with the new bishop. We're sending invitations to people who have visited...if you think of someone who should get one, let Lee know. This is very exciting...an experience few people have of getting a mission going!

Peace,

+Mary Ellen
