Last chance to sign up for the new Deepening Roots group which has its first meeting on Thursday, September 13th at WindCradle. 387 1536

Vicar Notes

In the next few months the ministerium hopes to have a shelf of books at the hospital for people who are there with family and friends. Besides a Bible and a Book of Common Prayer, what book or two would you want to see at the hospital to comfort and inspire?

My friend, Sid, was sent to solitary confinement for civil disobedience in South Africa, and we each chose books to give him....what book would you give someone in heading for three months on their own? **Blessings, Mary Ellen**
